

# Fill in the note names on the grand staff

(Use your book to help you)

The image shows a grand staff consisting of two five-line staves. The top staff has a treble clef, and the bottom staff has a bass clef. A large brace on the left side groups both staves together. A sequence of 24 empty circles is arranged in a diagonal line across the staves, starting from the bottom line of the bass staff and ending at the top line of the treble staff. The circles are positioned as follows: the first circle is on the bottom line of the bass staff; the next two are on the first space; the next two are on the second space; the next two are on the second line; the next two are on the third space; the next two are on the third line; the next two are on the fourth space; and the final circle is on the top line of the treble staff. This sequence represents the natural scale from C2 to C7.
