

MEMORISATION

Only complete this process for 1 section at a time, 4-8 bars is usually best.

Day 1	<ol style="list-style-type: none">1. Play the right hand with the score, slowly. Take time to notice patterns or repeats that may help you to remember it.2. When you think you can remember it, cover the score and attempt to play it from memory. If you can, go to the next step, if not go back to the first step.3. Uncover the score and play the section of right hand with the music again. Make a note of any mistakes you made in step 2.4. Cover the score and try the section of right hand again.5. Repeat steps 3 and 4 until you are sure your memory is secure.
Day 2	<ol style="list-style-type: none">1. Without opening the score, try to play the right hand from Day 1. Then open the score and play the right hand to check for any mistakes.2. Play the left hand with the score, slowly. Take time to notice patterns or repeats that may help you to remember it.3. When you think you can remember it, cover the score and attempt to play it from memory. If you can, go to the next step, if not go back to the step 2.4. Uncover the score and play the section of left hand with the music again. Make a note of any mistakes you made in step 3.5. Cover the score and try the section of left hand again.6. Repeat steps 4 and 5 until you are sure your memory is secure.
Day 3	<ol style="list-style-type: none">1. Without opening the score, try to play the right hand from Day 1. Then, try to play the left hand from Day 2.2. Open the score and play the right hand to check for any mistakes. Then play the left hand to check for mistakes.3. Cover the score again and play the right hand, and then left hand again.4. Without uncovering the score, try to figure out how the two hands fit together. Take your time and give it your best shot.5. Now uncover the score and play both hands together from the music.6. Try to play with the score, then without as you did for the right and left hands separately on Days 1 & 2.
Day 4	<ol style="list-style-type: none">1. Play from memory the right hand, then left hand, then hands together.2. Check your memory by playing with the score.3. Play 3 more times hands together from memory.
Day 5	<ol style="list-style-type: none">1. Play from memory hands together, then right hand, then left hand.2. Check your memory by playing with the score.3. Play 3 more times hands together from memory.
Day 6	<ol style="list-style-type: none">1. Play from memory hands together, then right hand, then left hand.2. Check your memory by playing with the score.3. Play 3 more times hands together from memory.
